4. Delegate authority to the Sheriff, or his designee, to execute amendments to the Agreements

and/or supplemental agreements as set forth in Section 8.0 (Amendments) of the Agreements, including amendments that modify the annual billing rates as determined by the County's Auditor-Controller.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The current Agreements for helicopter law enforcement services expired on June 30, 2014. The Board is requested to renew the Agreements for a five-year period, effective July 1, 2014, or upon execution by the Chairman, whichever is later, through June 30, 2019, unless sooner terminated or extended. The Department's Aero Bureau will not provide this service until the attached Agreements are executed by the Chairman.

The Department's Aero Bureau, upon request, will assist the cities of Beverly Hills, Glendora, and Monterey Park in non-emergent, non-life threatening, and non-mutual aid activities. Provision of this service to the cities of Beverly Hills, Glendora, and Monterey Park does not require additional cost to the Department. Under the terms of the Agreements, the cities of Beverly Hills, Glendora, and Monterey Park will fully compensate the Department for services.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan, Goal 1, Operational Effectiveness/Fiscal Sustainability. The helicopter law enforcement services provided by the Department enhances and improves interoperability between the agencies, and better prepares participants in future mutual aid needs, while enhancing public safety.

FISCAL IMPACT/FINANCING

Under the terms of the Agreements, the cities of Beverly Hills, Glendora, and Monterey Park are billed for services rendered at annually adjusted rates established by the County's Auditor-Controller. Revenue generated under these rates will fully reimburse the Department's costs associated with any helicopter law enforcement service or the Department's Aero Bureau response provided pursuant to the Agreements.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Agreements are authorized under the County's Charter Sections 56-1/2 and 56-3/4, and Article 1, Chapter 1, Part 2, Division 1 of Title 5 of the Government Code of the State of California.

The Department will provide air support upon request from any of the referenced cities for law enforcement involved in non-emergent, non-life threatening, and non-mutual aid activities. The Department, however, makes no guarantee of the availability of the air units for deployment when requested by the cities to perform the services herein. The cities agree to pay the County for said services at the hourly rates established each fiscal year by the County's Auditor-Controller. Either party may terminate the Agreements with or without cause by giving 60 calendar days advance written notice to the other party. The Agreements provide for mutual indemnification of the parties.

County Counsel has approved the attached Agreements as to form.

CONTRACTING PROCESS

Not applicable.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no negative impact on current services. The Department will provide the requested services with the resources included in the Department's budget. Under the terms of the Agreements, the cities will be billed for services rendered at annually adjusted rates established by the County's Auditor-Controller. Revenue generated under these rates fully reimburses the Department.

CONCLUSION

Upon Board approval, please return the three originally executed Agreements between the County and the cities of Beverly Hills, Glendora, and Monterey Park, to the Department's Contract Law Enforcement Bureau.

Sincerely

RECITALS

Whereas, the City is desirous of contracting with the County for the performance of as-needed, non-emergent, non-life threatening, and non-mutual aid helicopter law enforcement services described herein by the Los Angeles County Sheriff's Department, hereinafter referred to as "Sheriff's Department;" and

Whereas, the County is agreeable to rendering such air support services, as available, on the terms and conditions set forth in this Agreement; and

Whereas, such Agreement is authorized and provided for by the provisions of Section 56 ½ and 56 ¾ of the County Charter and California Government Code Section 51301.

1.0 SCOPE OF SERVICES

- 1.1 The County, by and through the Sheriff's Department, agrees to provide as-needed, non-emergent, non-life threatening, and non-mutual aid helicopter law enforcement services described herein to the City.
- 1.2 As available, the Sheriff's Department will, upon request by City, provide air support to the Beverly Hills Police Department's ground units involved in non-emergent, non-life threatening, and non-mutual aid activities. The Sheriff's Department however makes no guarantee of the availability of air units for deployment when requested by the City to perform the services herein. The

Sheriff's Department may cancel the provision of services at any time whatsoever if the Sheriff's Department concludes that there are insufficient personnel or air units to provide the agreed upon services and still perform other Sheriff's Department duties as required by law.

- 1.3 For the purpose of performing said services, County shall furnish and supply, as available, all necessary labor, supervision, personnel, helicopters, equipment, communications facilities, fuel, and supplies necessary to provide the services to be rendered hereunder. Notwithstanding the foregoing, the City may provide additional resources for the County to utilize in performance of the services.
- 1.4 The City hereby grants to the County, the Sheriff's Department, and its personnel responding to requests for services herein the right to transmit and broadcast communications to the Beverly Hills Police Department's ground units via the Beverly Hills Police Department's primary dispatch frequency and/or any other law enforcement frequency for which the City is licensed by FCC.
- 1.5 Except as otherwise specifically set forth in this Agreement, helicopter law enforcement services shall encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff under the Charter of the County and the statutes of the State of California.

2.0 ADMINISTRATION OF PERSONNEL

- 2.1 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the City shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the City's Chief of Police.
- 2.2 The rendition of the services performed by the Sheriff's Department, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

- 2.3 With regard to paragraphs 2.1 and 2.2, the Sheriff, in an unresolved dispute over the minimum level of performance of services, shall have final and conclusive determination as between the parties hereto.
- 2.4 All City employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No City employees shall become employees of the County.
- 2.5 For the purpose of performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County employee engaged in performing any such service and function shall be deemed to be an officer or employee of the City while performing such service for the City, as long as the service is within the scope of this Agreement and is a municipal function.
- 2.6 The City shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said City. Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her employment.
- 2.7 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 INDEMNIFICATION

- 3.1 City shall indemnify, defend, and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and

expenses (including attorney and expert witness fees), arising from or connected with the City's acts and/or omissions arising from and/or relating to this Agreement.

- 3.2 County shall indemnify, defend, and hold harmless the City, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the County's acts and/or omissions arising from and/or relating to this Agreement.

4.0 TERM OF AGREEMENT

- 4.1 The term of this Agreement shall commence July 1, 2014, or upon execution by the Chairman of the Los Angeles County Board of Supervisors, whichever is later, and shall terminate June 30, 2019, unless sooner terminated or extended in whole or in part as provided for herein.
- 4.2 At the option of the County Board of Supervisors and with the consent of the City Council, this Agreement may be renewed or extended for successive periods not to exceed five (5) years each.
- 4.3 Nine (9) months prior to the expiration of this Agreement, the parties shall meet and confer in good faith to discuss the possible renewal or extension of this Agreement pursuant to Paragraph 6.2 above. The parties shall reach an agreement as to the terms of any renewal or extension period no later than six (6) months prior to the expiration of this Agreement. Absent mutual agreement by the parties within that time frame, this Agreement shall expire at the conclusion of the then-existing term.

5.0 RIGHT OF TERMINATION

- 5.1 Either party may terminate this Agreement with or without cause by giving not less than sixty (60) calendar days advance written notice to the other party.

- 5.2 Notwithstanding the foregoing, the Sheriff may cancel the provision of services with only ten (10) calendar days advance notice, or less in the event of exigent circumstances, if the Sheriff concludes that there are insufficient personnel to provide the agreed upon services and still perform other Sheriff's duties as required by law.
- 5.3 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and, except as otherwise provided herein, each party shall be released from all obligations, which would otherwise accrue subsequent to the date of termination.

6.0 BILLING RATES

- 6.1 The City shall pay County for the services provided by County under the terms of this Agreement at the rate established by the County Auditor-Controller, as it may be amended from time to time. The rate listed below shall be readjusted annually by the County Auditor-Controller effective July 1 of each year to reflect the cost of such service. In such case, the annual rate readjustment shall be attached to this Agreement as an Amendment to this Agreement to reflect the change in rates each fiscal year.
- 6.2 For and in consideration of the rendition of the helicopter law enforcement services to be performed by the County for the City under this Agreement, the City agrees to pay the County for said services at the hourly rates established each fiscal year by the County Auditor-Controller. For Fiscal Year 2014-2015, the hourly rate is as follows:

compensation benefits, and the overhead of the County attributable to the provision of services pursuant to this Agreement. The foregoing rates are adjusted annually pursuant to the policies and practices adopted by the Los Angeles County Board of Supervisors governing the determination of such actual costs.

- 6.3 The City agrees to pay for helicopter responses to requests for services in non-emergent, non-life threatening, and non-mutual aid activities. The rate charged to the City for helicopter responses to non-emergent, non-life threatening, and non-mutual aid requests will be on a per-minute basis based upon the hourly rate established by the County Auditor-Controller. FIELD OPERATIONS REGIONS

TO: UNIT COMMANDERS

SUBJECT: FIELD OPERATIONS DIRECTIVE 89-8 (REVISED 03-02-93)

AIR SUPPORT POLICY

The purpose of this directive is to provide guidance to all personnel concerned with using, ordering, or providing air support to ground law enforcement units. It constitutes the policy of this Department and may involve the basis for recovering any monetary reimbursement for providing air support service.

AIR SUPPORT IN UNINCORPORATED AREAS:

The Sheriff's Department provides helicopter patrol of the unincorporated areas, as available.

AIR SUPPORT IN CITIES WHEN A LIFE-THREATENING SITUATION OR A MUTUAL AID REQUEST EXISTS:

The Sheriff's Department will provide air support free of charge, as available, to the policing agency of any city within Los Angeles County under the following criteria:

1. When a situation exists that is life-threatening to a citizen or police officer. (The initiator of requests for air support must be able to reasonably articulate why a life was directly threatened.)
2. When an air unit monitors and responds to the following specifically identified types of activity and call codes that are designated as inherently life-threatening:

187 - Murder
207 - Kidnapping
211 - Robbery
217 - Attempt Murder

245 - Assault with a Deadly Weapon
246 - Shooting at an Inhabited Dwelling
261 - Rape
417 - Person with a Weapon
451 - Arson
904 - Fire
997, 998, 999 - Officer needs help or assistance
FP, VP - Foot or Vehicle Pursuit

3. The original nature of the call determines its character and not the circumstances when concluded. Example: If an air unit responds to a 211 call and it is subsequently determined to be a 415 call, the air support will be free to the concerned city agency.
4. Upon the request from any city for mutual aid, the criteria required under the State Master Mutual Aid agreement must be satisfied. These requests are routinely expressed to the Watch Commander at a Sheriff's Station as identified in Enclosure 1-3 to the Los Angeles County Multi-Hazard Functional Plan. Response under circumstances described in 1-3 are considered "county wide" in nature, and supported by the County General Fund.

AIR SUPPORT IN CITIES OF A NON-LIFE-THREATENING OR NON-MUTUAL AID NATURE:

The Sheriff's Department may provide, as available, air support to ground units in any city, which are involved in non-life-threatening or non-mutual aid activities, on a fee basis according to rates established by the Los Angeles County Auditor-Controller.

While most support services are included in the contract rate for patrol service, air service is not. Therefore, it is critical that Watch Commanders become quickly involved in the decision making process of determining the duration of the air unit's involvement since these costs could be passed on to the contract city. Desk personnel shall immediately notify the Watch Commander when an air unit is requested or when the air unit has self-initiated a response to a call within a contract city.

The air unit has the prerogative to respond to a call likely to require air support, without first being requested, in order to have aerial support over the location as soon as possible. The air unit shall advise SRC on the appropriate radio frequency that it is responding. A Watch Commander can decide to terminate the response or support and the air unit shall comply. If the air unit has arrived over the site of an incident that is not listed as inherently life-threatening and it is determined to be non-life-threatening, the service time is billable to the contract city up to the time the air unit is discontinued by the Watch Commander or the air unit returns to other duties or regular patrol.

While it is recognized that all situations are not always clear, Unit Commander discretion in changing billable call codes to non-billable, or visa versa, is limited.

If a Unit Commander does deem changes appropriate, he/she should have ample reasons for the change.

STATION/BUREAU PROCEDURES:

The Aero Bureau will provide support service as described within the above policy. The time spent handling all air support will be documented. Each Aero Bureau patrol crew will complete an "Aero Bureau Log" at the end of each shift documenting all service activity provided in unincorporated areas or cities. At the end of each month, Aero Bureau shall prepare a report synthesizing the aerial support provided to each contract city. Station Commanders shall receive a copy of this report for each contract city in their respective station area, not later than the fifth of each month.

Each station is required to record Aero Bureau support activity for contract cities in the station area on a daily basis. A "Station Aero Bureau Request Log" shall be maintained by the Watch Deputy, under the direction of the Watch Commander. It will reflect emergent, non-emergent, and mutual aid deployment of Aero units in the station's area of responsibility, and shall be submitted to the station's operations personnel daily. Upon receipt of the monthly Aero Bureau Activity Report for contract cities, The Unit Commander shall ensure that the station's log and the Aero Bureau's report is compared and a list of billable and non-billable activity for each contract city is compiled. By the seventh day of each month, Station Commanders shall submit a memorandum, listing the type, location, and time spent on aerial activity, to the Commander of the Contract Law Enforcement Bureau, with a copy to the concerned contract city manager. This memorandum shall reflect both billable and non-billable activity.

SHERIFF'S DEPARTMENT

DATE: March 2, 1993

OFFICE CORRESPONDENCE

FROM: JAMES M. CALLAS, CHIEF
WILLIAM A. BAKER, CHIEF
LARRY L. ANDERSON, CHIEF
FIELD OPERATIONS REGIONS

TO: UNIT COMMANDERS

SUBJECT: FIELD OPERATIONS DIRECTIVE 89-8 (REVISED 03-02-93)

AIR SUPPORT POLICY

The purpose of this directive is to provide guidance to all personnel concerned with using, ordering, or providing air support to ground law enforcement units. It constitutes the policy of this Department and may involve the basis for recovering any monetary reimbursement for providing air support service.

AIR SUPPORT IN UNINCORPORATED AREAS:

The Sheriff's Department provides helicopter patrol of the unincorporated areas, as available.

AIR SUPPORT IN CITIES WHEN A LIFE-THREATENING SITUATION OR A MUTUAL AID REQUEST EXISTS:

The Sheriff's Department will provide air support free of charge, as available, to the policing agency of any city within Los Angeles County under the following criteria:

1. When a situation exists that is life-threatening to a citizen or police officer. (The initiator of requests for air support must be able to reasonably articulate why a life was directly threatened.)
2. When an air unit monitors and responds to the following specifically identified types of activity and call codes that are designated as inherently life-threatening:

187 - Murder
207 - Kidnapping
211 - Robbery
217 - Attempt Murder

245 - Assault with a Deadly Weapon
246 - Shooting at an Inhabited Dwelling
261 - Rape
417 - Person with a Weapon
451 - Arson
904 - Fire
997, 998, 999 - Officer needs help or assistance
FP, VP - Foot or Vehicle Pursuit

3. The original nature of the call determines its character and not the circumstances when concluded. Example: If an air unit responds to a 211 call and it is subsequently determined to be a 415 call, the air support will be free to the concerned city agency.
4. Upon the request from any city for mutual aid, the criteria required under the State Master Mutual Aid agreement must be satisfied. These requests are routinely expressed to the Watch Commander at a Sheriff's Station as identified in Enclosure 1-3 to the Los Angeles County Multi-Hazard Functional Plan. Response under circumstances described in 1-3 are considered "county wide" in nature, and supported by the County General Fund.

AIR SUPPORT IN CITIES OF A NON-LIFE-THREATENING OR NON-MUTUAL AID NATURE:

The Sheriff's Department may provide, as available, air support to ground units in any city, which are involved in non-life-threatening or non-mutual aid activities, on a fee basis according to rates established by the Los Angeles County Auditor-Controller.

While most support services are included in the contract rate for patrol service, air service is not. Therefore, it is critical that Watch Commanders become quickly involved in the decision making process of determining the duration of the air unit's involvement since these costs could be passed on to the contract city. Desk personnel shall immediately notify the Watch Commander when an air unit is requested or when the air unit has self-initiated a response to a call within a contract city.

The air unit has the prerogative to respond to a call likely to require air support, without first being requested, in order to have aerial support over the location as soon as possible. The air unit shall advise SRC on the appropriate radio frequency that it is responding. A Watch Commander can decide to terminate the response or support and the air unit shall comply. If the air unit has arrived over the site of an incident that is not listed as inherently life-threatening and it is determined to be non-life-threatening, the service time is billable to the contract city up to the time the air unit is discontinued by the Watch Commander or the air unit returns to other duties or regular patrol.

While it is recognized that all situations are not always clear, Unit Commander discretion in changing billable call codes to non-billable, or visa versa, is limited.

If a Unit Commander does deem changes appropriate, he/she should have ample reasons for the change.

STATION/BUREAU PROCEDURES:

The Aero Bureau will provide support service as described within the above policy. The time spent handling all air support will be documented. Each Aero Bureau patrol crew will complete an "Aero Bureau Log" at the end of each shift documenting all service activity provided in unincorporated areas or cities. At the end of each month, Aero Bureau shall prepare a report synopsising the aerial support provided to each contract city. Station Commanders shall receive a copy of this report for each contract city in their respective station area, not later than the fifth of each month.

Each station is required to record Aero Bureau support activity for contract cities in the station area on a daily basis. A "Station Aero Bureau Request Log" shall be maintained by the Watch Deputy, under the direction of the Watch Commander. It will reflect emergent, non-emergent, and mutual aid deployment of Aero units in the station's area of responsibility, and shall be submitted to the station's operations personnel daily. Upon receipt of the monthly Aero Bureau Activity Report for contract cities, The Unit Commander shall ensure that the station's log and the Aero Bureau's report is compared and a list of billable and non-billable activity for each contract city is compiled. By the seventh day of each month, Station Commanders shall submit a memorandum, listing the type, location, and time spent on aerial activity, to the Commander of the Contract Law Enforcement Bureau, with a copy to the concerned contract city manager. This memorandum shall reflect both billable and non-billable activity.

SHERIFF'S DEPARTMENT

OFFICE CORRESPONDENCE

WILLIAM A. BAKER, CHIEF
LARRY L. ANDERSON, CHIEF
FIELD OPERATIONS REGIONS

TO: UNIT COMMANDERS

SUBJECT: FIELD OPERATIONS DIRECTIVE 89-8 (REVISED 03-02-93)

AIR SUPPORT POLICY

The purpose of this directive is to provide guidance to all personnel concerned with using, ordering, or providing air support to ground law enforcement units. It constitutes the policy of this Department and may involve the basis for recovering any monetary reimbursement for providing air support service.

AIR SUPPORT IN UNINCORPORATED AREAS:

The Sheriff's Department provides helicopter patrol of the unincorporated areas, as available.

AIR SUPPORT IN CITIES WHEN A LIFE-THREATENING SITUATION OR A MUTUAL AID REQUEST EXISTS:

The Sheriff's Department will provide air support free of charge, as available, to the policing agency of any city within Los Angeles County under the following criteria:

1. When a situation exists that is life-threatening to a citizen or police officer. (The initiator of requests for air support must be able to reasonably articulate why a life was directly threatened.)
2. When an air unit monitors and responds to the following specifically identified types of activity and call codes that are designated as inherently life-threatening:

187 - Murder
207 - Kidnapping
211 - Robbery
217 - Attempt Murder

245 - Assault with a Deadly Weapon
246 - Shooting at an Inhabited Dwelling
261 - Rape
417 - Person with a Weapon
451 - Arson
904 - Fire
997, 998, 999 - Officer needs help or assistance
FP, VP - Foot or Vehicle Pursuit

3. The original nature of the call determines its character and not the circumstances when concluded. Example: If an air unit responds to a 211 call and it is subsequently determined to be a 415 call, the air support will be free to the concerned city agency.
4. Upon the request from any city for mutual aid, the criteria required under the State Master Mutual Aid agreement must be satisfied. These requests are routinely expressed to the Watch Commander at a Sheriff's Station as identified in Enclosure 1-3 to the Los Angeles County Multi-Hazard Functional Plan. Response under circumstances described in 1-3 are considered "county wide" in nature, and supported by the County General Fund.

AIR SUPPORT IN CITIES OF A NON-LIFE-THREATENING OR NON-MUTUAL AID NATURE:

The Sheriff's Department may provide, as available, air support to ground units in any city, which are involved in non-life-threatening or non-mutual aid activities, on a fee basis according to rates established by the Los Angeles County Auditor-Controller.

While most support services are included in the contract rate for patrol service, air service is not. Therefore, it is critical that Watch Commanders become quickly involved in the decision making process of determining the duration of the air unit's involvement since these costs could be passed on to the contract city. Desk personnel shall immediately notify the Watch Commander when an air unit is requested or when the air unit has self-initiated a response to a call within a contract city.

The air unit has the prerogative to respond to a call likely to require air support, without first being requested, in order to have aerial support over the location as soon as possible. The air unit shall advise SRC on the appropriate radio frequency that it is responding. A Watch Commander can decide to terminate the response or support and the air unit shall comply. If the air unit has arrived over the site of an incident that is not listed as inherently life-threatening and it is determined to be non-life-threatening, the service time is billable to the contract city up to the time the air unit is discontinued by the Watch Commander or the air unit returns to other duties or regular patrol.

While it is recognized that all situations are not always clear, Unit Commander discretion in changing billable call codes to non-billable, or visa versa, is limited.

If a Unit Commander does deem changes appropriate, he/she should have ample reasons for the change.

STATION/BUREAU PROCEDURES:

The Aero Bureau will provide support service as described within the above policy. The time spent handling all air support will be documented. Each Aero Bureau patrol crew will complete an "Aero Bureau Log" at the end of each shift documenting all service activity provided in unincorporated areas or cities. At the end of each month, Aero Bureau shall prepare a report synopsising the aerial support provided to each contract city. Station Commanders shall receive a copy of this report for each contract city in their respective station area, not later than the fifth of each month.

Each station is required to record Aero Bureau support activity for contract cities in the station area on a daily basis. A "Station Aero Bureau Request Log" shall be maintained by the Watch Deputy, under the direction of the Watch Commander. It will reflect emergent, non-emergent, and mutual aid deployment of Aero units in the station's area of responsibility, and shall be submitted to the station's operations personnel daily. Upon receipt of the monthly Aero Bureau Activity Report for contract cities, The Unit Commander shall ensure that the station's log and the Aero Bureau's report is compared and a list of billable and non-billable activity for each contract city is compiled. By the seventh day of each month, Station Commanders shall submit a memorandum, listing the type, location, and time spent on aerial activity, to the Commander of the Contract Law Enforcement Bureau, with a copy to the concerned contract city manager. This memorandum shall reflect both billable and non-billable activity.
